

## **Introduction: How to study**

This topic is about the “Importance of Multiculturalism”.

1. As introduction of the topic, you will watch a TEDx Talk video on ‘multiculturalism as a threat and multiculturalism as an asset’.
2. After that you will read 8 pages of text, which deal with the importance of multiculturalism, especially at higher education institutions. Moreover, you will find out about certain teaching strategies that support the teaching of students of different nationalities.
3. Afterwards, a forum is opened in which some questions related to the topic will be discussed by all course participants. The forum will be facilitated by a moderator.
4. Additional reading material provides further information on the topic.
5. The next part of the lesson consists of a face-to-face lecture in which you will learn more about the importance of multiculturalism. At the end of this session, you will conduct an exercise with the other participants.
6. The last part of this lesson is a quiz in which you will test your knowledge on the topic by answering three single choice questions. In addition, you will be asked to give feedback and suggestions of improvement on the entire Module I.
