TOPIC II – USE OF VIDEO IN LEARNING ENVIRONMENTS

INTRODUCTION

Introduction video - https://www.youtube.com/watch?v=_v5zsNCwvkA

set-up

INDIVIDUAL WORK

Reading the text distributed to each group.

Participants will take part in the discussion forum and debate the topics raised by the articles.

GROUP WORK

Each group will create a presentation (PowerPoint) with the most relevant information in the group's article (max. 5 slides).

After creating the PowerPoint presentation, the group will "turn it" into a small video with no more than 10 minutes.

Once ready it should be sent to the group for discussion (as follows).

Video made by group:	To be discussed by group:
A	C
B	D
C	E
D	A
E	B

- Note: Video plus the discussion must have no more than the allotted time (15 minutes).

DISCUSSION FORUM - Topic II

After watching the video, reading the suggested articles and considering each one's experience with digital technology, surely you'll have ideas, doubts, questions on the role of technology in the higher education institutions that you'll be able to share with other participants in an informal chat in the forum.
